

**Pupil Premium Impact 2014-2015**

School leaders are required to provide evidence of the impact of their Pupil Premium Grant (PPG) spending. This must be closely linked to improvements in pupil outcomes. As the School

Inspection Handbook (September 2012) states:

“Inspectors must take account of the learning and progress of different groups of pupils currently on the roll of the school, including disabled pupils and those who have special educational needs and **for those whom the pupil premium provides support.**”
