

#### **Pupil Premium Impact 2013-2014**

The Pupil Premium was introduced by the Government in April 2011 as a means of providing additional funding to schools to address the current inequalities in attainment and progress between those children eligible for free school meals and those whose families who have higher income.

We received pupil premium funding for the financial year 2013-14 of £8100. This is targeted funding for pupils who are (or have been in the last six years) entitled to free school meals or who are in public care.

<b>Number of pupils and amount of Pupil Premium Grant (PPG) received:</b>	
Total number of pupils on roll	125
Total number of pupils eligible for PPG	9
Amount of PPG received per pupil.	£900
Total amount received:	£8100

The Pupil Premium was used in a variety of ways in order to improve pupil attainment and to help to overcome any barriers to learning. With this in mind, the Pupil Premium allocation was spent as follows;

- To fund the access to the ELSA specialist who supports children with a variety of emotional and social issues, such as self-esteem, confidence building, developing firm friendships, anger management etc thus overcoming barriers to learning
- To fund the staffing of daily lunchtime nurture groups
- To fund additional support staff for targeted intervention for individuals and groups
- To fund attendance at school clubs run by external providers
- To fund trips/visits/residential trips
- To fund swimming lessons
- To fund for wider opportunities outside school e.g. Cub/Brownie/Scouting trips, music lessons etc
