<p>Topic</p> 	<p>'Once upon a time ...'</p> <p>The children will develop their speech, language and writing skills through story telling, taking inspiration from beloved traditional tales including: Goldilocks and the Three Bears and The Three Little Pigs. They will access lots of role play, acting out these well-known stories, using props and small world figures. The children will also be developing their computer skills throughout this topic using Purple Mash.</p>
<p>Science</p> 	<p>'Looking at Animals' - During this module children learn about a variety of familiar and less familiar animals, including fish, amphibians, reptiles, birds and mammals. They will identify and name, look closely at and compare and contrast many different animals. They name their body parts, describe their physical features and mimic how they move. They are reminded that animals need to eat in order to be healthy and that they eat lots of different types of foods. Children are also introduced to the terms 'carnivore', 'herbivore' and 'omnivore'.</p>
<p>RE</p> 	<p>'Family - Myself' is our first topic in which we will explore what the word 'family' means to us. Who do we associate with 'family'? What joys and sorrows do we remember of family life?</p>
<p>PE</p> 	<p>The children will have weekly PE lessons in which they will learn dance, gymnastics and pilates. Some of the lessons will be linked to the science and traditional tales topics.</p>
