Sharon Traves

I have been a Foundation Governor at St Charles for nearly five years. I was asked to become a Foundation Governor by Monsignor Phelan.

As I was educated in Ireland I saw this as a good opportunity to learn more about the English education system. I now have a greater understanding of what happens in school, I feel being a governor at the school is a good way to help bond the parent, teacher, community and church relationship.

Our role as governors is to work with the school to ensure that it delivers good quality education to all pupils.
